

PORTER & CO. CONFERENCE 2025

---

# Welcome to Porter & Co.

Jared Kelly | CEO, Porter & Co.

# 2024 Conference Returns vs. The Market

Last year, there were 15 different stocks recommended by speakers here. And the average return of the stocks is just over 60% compared to a very solid 18% return of the S&P

● 2024 Porter & Co. Conference Recommendations ● S&P 500

## Investing Disclaimer

---

**DISCLAIMER:** The financial ideas and research that will be discussed during this conference are intended solely for informational purposes. They are not to be construed as financial advice or recommendations for any specific investment, strategy or decision. The information presented here is based on the research and opinions of the speakers and does not necessarily reflect the views of Porter & Co. Throughout the conference, we'll also be referencing past performance of stocks which, as you know, is not indicative of future success. We strongly advise all attendees to consult with a qualified financial advisor before making any investment decisions based on the information presented at this conference. Each individual's financial situation is unique, and professional guidance is essential to ensure that any investment decisions align with your personal financial goals and risk tolerance.

Have a question for  
Porter, Erez, Marty, Ross,  
or *anyone* at Porter & Co.?

**We have an open question and answer session  
Thursday at 2:30.** Submit your question in advance by
